Choice Program

The mission of the South Harrison School District is to prepare our students to become confident, capable, life-long learners and problem solvers by providing learning experiences, which foster the intellectual, physical, social, and emotional growth necessary to become responsible, productive members of a culturally and economically diverse society.

Toward this end, the South Harrison School District works together in partnership with the staff, home, and community to foster a safe, caring, academically challenging and supportive environment.

The experienced teaching staff strives to help each student develop strong academic skills within a framework of steady emotional growth and positive self-image. The basic program of instruction includes language arts, mathematics, science, social studies, art, music, physical education, library, technology, character education, and world language.

Of importance to working parents is our After School Program, an option for parents who need extended childcare, beyond the regular school day. The children are professionally supervised.

Choice Seats Availability

*The purpose of the chart below is to inform parents of choice seat availability **before** the application deadline. After the deadline, the information will be outdated.*

The Department of Education limits the number of choice seats that each district can fill. The “maximum number of new choice students that can be enrolled” tells parents how many *new* choice students the district can enroll in the next school year. If more than the maximum number of applications is received, a lottery will be held and a waitlist will be developed. *Waitlists will be developed for all approved choice grades even if no seats are currently available. NA indicates the district is not accepting choice applications for those grades.*

Maximum Number of *New* Choice Students that can be Enrolled: 3

Grade	Seat availability per grade
K	Available
1	Available
2	Available
3	Available
4	Available
5	Available
6	Available
7	Not Available (no waitlist will be developed)
8	Not Available (no waitlist will be developed)
9	Not Available (no waitlist will be developed)
10	Not Available (no waitlist will be developed)
11	Not Available (no waitlist will be developed)
12	Not Available (no waitlist will be developed)

District Choice Policies	Indicate Yes/No/NA
The district accepts Tier 2 students (see definitions of Tier 1 and Tier 2).	Yes
The district gives enrollment preference to choice applicants who have a sibling currently attending the choice district and who will continue to attend in the following school year, provided there are choice seats available in the choice-approved grades/programs and the students meet any program-specific criteria.	Yes
The district gives enrollment preference to choice applicants who have completed the terminal grade of the sending district (i.e., students who attend a choice district with grades that terminate before 12th grade and have a natural progression to this choice district), provided there are choice seats available in the choice-approved grades/programs and the students meet any program-specific criteria.	NA
The district gives enrollment preference to resident students who move <i>before the application deadline</i> . If resident students move and file choice applications for the following year prior to the deadline, the district will give them enrollment preference (i.e., accept them after the enrollment preference students described in b. and c. above, but ahead of other applicants), provided there are choice seats available in the choice-approved grades/programs and the students meet any program-specific criteria. <i>If the district has already reached its approved choice enrollment maximum, this preference will not apply.</i>	Yes
The district gives special consideration to resident students who move <i>after</i> the application deadline. Students in this situation may apply as late applicants and be added to the front of the district's waitlist, provided the students will enroll in a choice-approved grade/program and they meet any program-specific criteria. No additional choice seats above the maximum will be approved by the NJDOE to accommodate these students.	Yes
